

Dr Adrian Taylor  
Director of Studies

Dear Materials Applicant,

**Invitation to visit the Department of Materials Science during your interview day in Oxford**

We would like to extend to you a warm invitation to visit the Department while you are in Oxford for your interviews. This visit has no bearing on the assessment of your application and is simply an informal and voluntary opportunity for you to visit the Department, have a brief tour, and a chat over coffee & mince pies in our Holder Café with our Schools Liaison staff and with other applicants.

Please feel free to visit at any time convenient for you before, in-between, or after your interviews, within the hours set down below.

Monday 10am – 4pm

Tuesday 10am – 4pm

Wednesday 10am – 2pm

If you wish to accept this invitation simply report to Reception in the Materials Science Hume-Rothery Building, 16, Parks Road and you will be shown where to find the Café.

Best wishes,

Adrian Taylor
