

General Lab Safety

Sensible, acceptable behaviour is expected at all times. General behaviour is the responsibility of the teacher in charge of the visit.

Sensible clothing is expected and the Department reserves the right to refuse entry to anyone who does not conform. Sensible clothing requires that

- Arms and legs **MUST** be **fully covered**. Please note tights and leggings are **not** suitable.
- Long hair is tied back.
- Footwear provides all-round coverage (e.g. no sandals, open toed shoes, pumps or canvass slippers etc.)

Please note school uniform is only acceptable if it meets these requirements.

In addition:

- No food or drink is to be consumed (including gum and medication).
- No cosmetics or skin preparations may be applied.
- Hands should be washed after leaving the laboratory before eating or drinking anything.
